

About Stichting PZNL

(Stichting Palliatieve Zorg Nederland – Dutch Institute of Palliative Care)

Stichting PZNL connects, supports, and coordinates national efforts to improve palliative care in the Netherlands. As the Dutch Institute of Palliative Care, Stichting PZNL facilitates collaboration between healthcare professionals, organizations, and initiatives. It also leads the national implementation of the **NPPZ II** (**Nationaal Programma Palliatieve Zorg II – Dutch National Programme for Palliative Care**).
